

ARTESIAN SPAS™

Wellness for Every Body

WELLNESS FOR EVERY BODY

No matter your size, your shape, or your need for hydrotherapy, we have a product that was designed and built with passion for you.

PROUDLY MADE IN LAS VEGAS, NV

As a spa manufacturer based in Las Vegas, Nevada, USA, we bring 30 years of industry experience to every product we create. Every hot tub we create reflects our commitment to exceptional craftsmanship, strict quality control, and unparalleled customer service.

INNOVATIVE TECHNOLOGY

Redefining the hot tub experience with technology designed for ultimate comfort, convenience, and crystal-clear water. Features like WaterLab provide app-guided, test strip-free water care, while the exclusive DirectFlow Personal Control® system allows users to fully customize their massage experience.

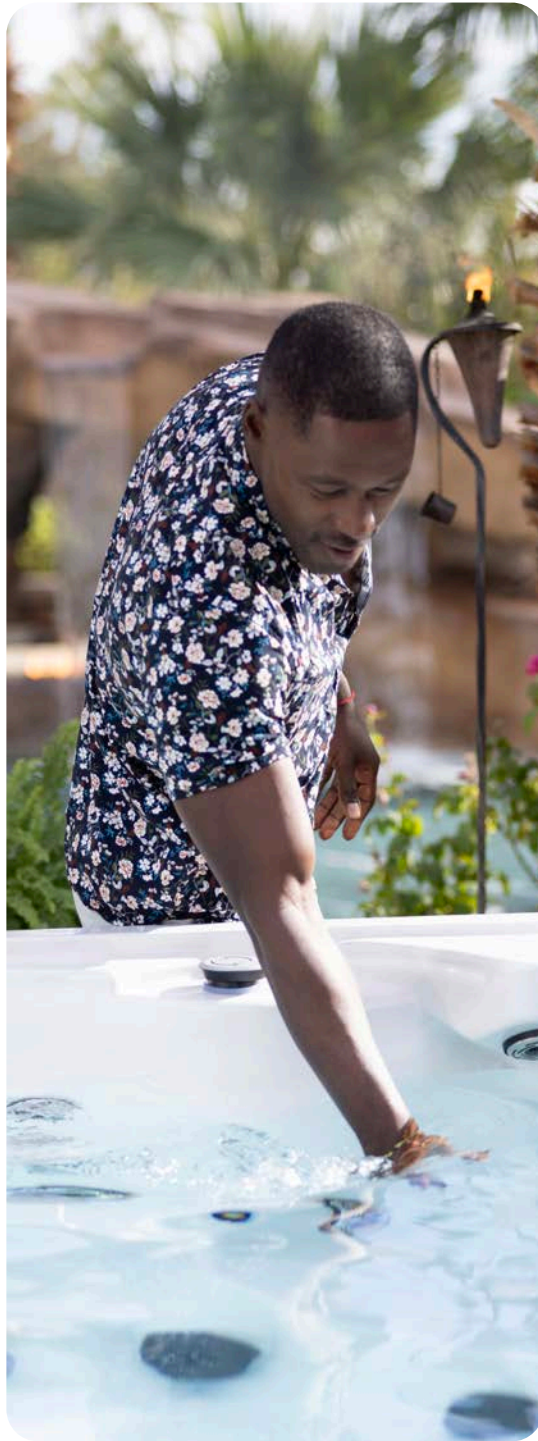

QUALITY CONSTRUCTION

Backed by an extensive warranty and made from sturdy materials, our hot tubs guarantee superior durability. Experience peace of mind with our products, designed for lasting enjoyment.

COMMITTED TEAM

We're dedicated to delivering more than just a hot tub—we're bringing wellness to your home. With us, you're not just investing in a hot tub—you're gaining a reliable network to make your spa experience effortless and enjoyable.

TRIPLE A STANDARD

AESTHETIC CUSTOMIZATION

We offer the largest selection of hot tubs with distinct customization options, including lighting, water features, and color choices. Tailor your spa to perfectly fit any space and meet your unique needs, achieving Wellness for Every Body.

ABSOLUTE HYDROTHERAPY

Every body is different, which is why we provide a wide variety of hydromassage jet options including our cutting-edge H2O Powerflow, Helix, Hydro Extreme, neck and shoulder jets, and unmatched powerful Dual Footblasters.

ADVANCED SPA MAINTENANCE

Artesian offers user-friendly ease of maintenance with our advanced clean water management systems. Choose from the Waterlab, Diamond AOP™, FROG® @ease® In-Line System, and Ozonator, ensuring a hassle-free spa experience.

AESTHETIC CUSTOMIZATION

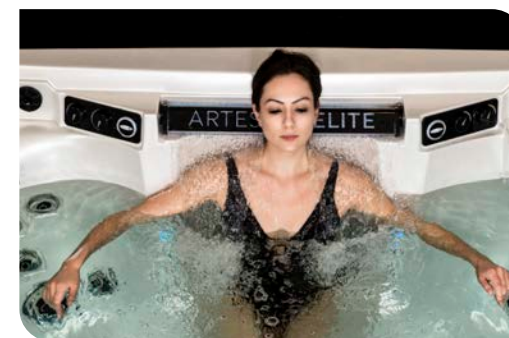

TAILORED AESTHETICS

Choose from a wide range of shell colors, cabinet finishes, and cover options to complement any outdoor or indoor space. Our design flexibility ensures your spa seamlessly integrates with your personal style.

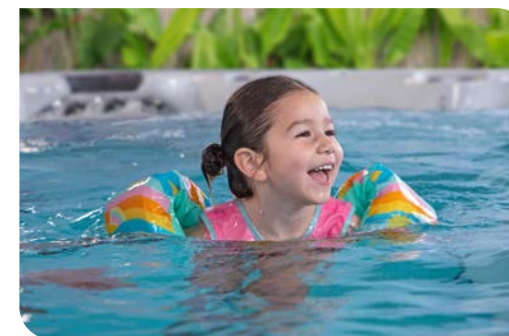

PERSONALIZED AMBIENCE

Elevate your spa experience with customizable lighting and water features. Create the perfect atmosphere for relaxation, day or night.

SEATING & JET CONFIGURATIONS

With multiple seating layouts and targeted jet placements, you can select a hot tub designed to fit your comfort preferences. Whether you seek full-body hydrotherapy or social seating, there's a configuration for you.

WELLNESS YOUR WAY

With four distinct series—Elite, Island, South Seas, and Garden—we offer a hot tub for every lifestyle, need, and budget. From the pinnacle of luxury and performance with Elite, to the affordable retreat with Garden, Artesian Spas ensures that wellness is within *reach for everyone*.

ABSOLUTE HYDROTHERAPY

H2O POWERFLOW JETS

Delivering a customizable experience with different sizes and styles designed for targeted relief. From the Mini-Massage to the deep-tissue Whirlpool and muscle-relaxing Roto Jet.

Standard on Artesian Elite

HELIX & HYDRO JETS

Helix jets create a spiraling water motion for a dynamic, pulsating massage. Their twisting design delivers heightened pressure, targeting muscles with precision.

Standard on Island Spas

DUAL FOOTBLASTERS

Melt away tension as dual multi-port Dual Footblaster jets powered by an additional dedicated pump deliver a powerful and precise massage to every sore spot in your feet.

Standard on Artesian Elite, Island Elite & Island Luxury

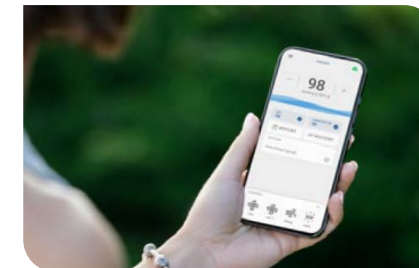

NECK COLLAR JETS

Multiport jets gently wrap around your neck and shoulders, delivering a soothing massage that relieves built-up tension. The focused water flow targets key pressure points, leaving you feeling relaxed and refreshed.

Standard on select models

ADVANCED SPA MAINTENANCE

WATERLAB

No test strips needed—get easy instructions to maintain crystal-clear water directly from the app.

Optional on Island

DIAMOND AOP™

An advanced sanitizer combining Ozone & UV-C creates powerful hydroxyl radicals that rapidly eliminate impurities, keeping your spa water crystal clear.

Optional on Artesian Elite, Island & South Seas

OZONATOR

Ozonator naturally purifies water by eliminating impurities, reducing chemical use for a cleaner, eco-friendly spa experience.

Optional on all series. Standard on Island Luxury and Elite

CRYSTAL PROPURE™ OZONE MIXING CHAMBER

A system with Advanced Plasma Gap (APG) ozone cells providing a more powerful and natural way to keep hot tub water clean.

Optional on Artesian Elite

FROG® @EASE® IN-LINE SYSTEM

The built-in hot tub sanitizer with minerals and up to 75% less chlorine.

Optional on Artesian Elite, Island, South Seas

SPA SERIES

ARTESIAN ELITE

Adjust every jet and every seat with DIRECTFLOW® Personal Control. Designed for those who demand the absolute best in performance, luxury, and style - maximum power, maximum comfort, and maximum style.

ISLAND SPAS

Sleek, modern, and built just for you, this spa offers powerful hydrotherapy and unmatched customization. Choose from three trim levels, whether you want simple essentials or the ultimate indulgence.

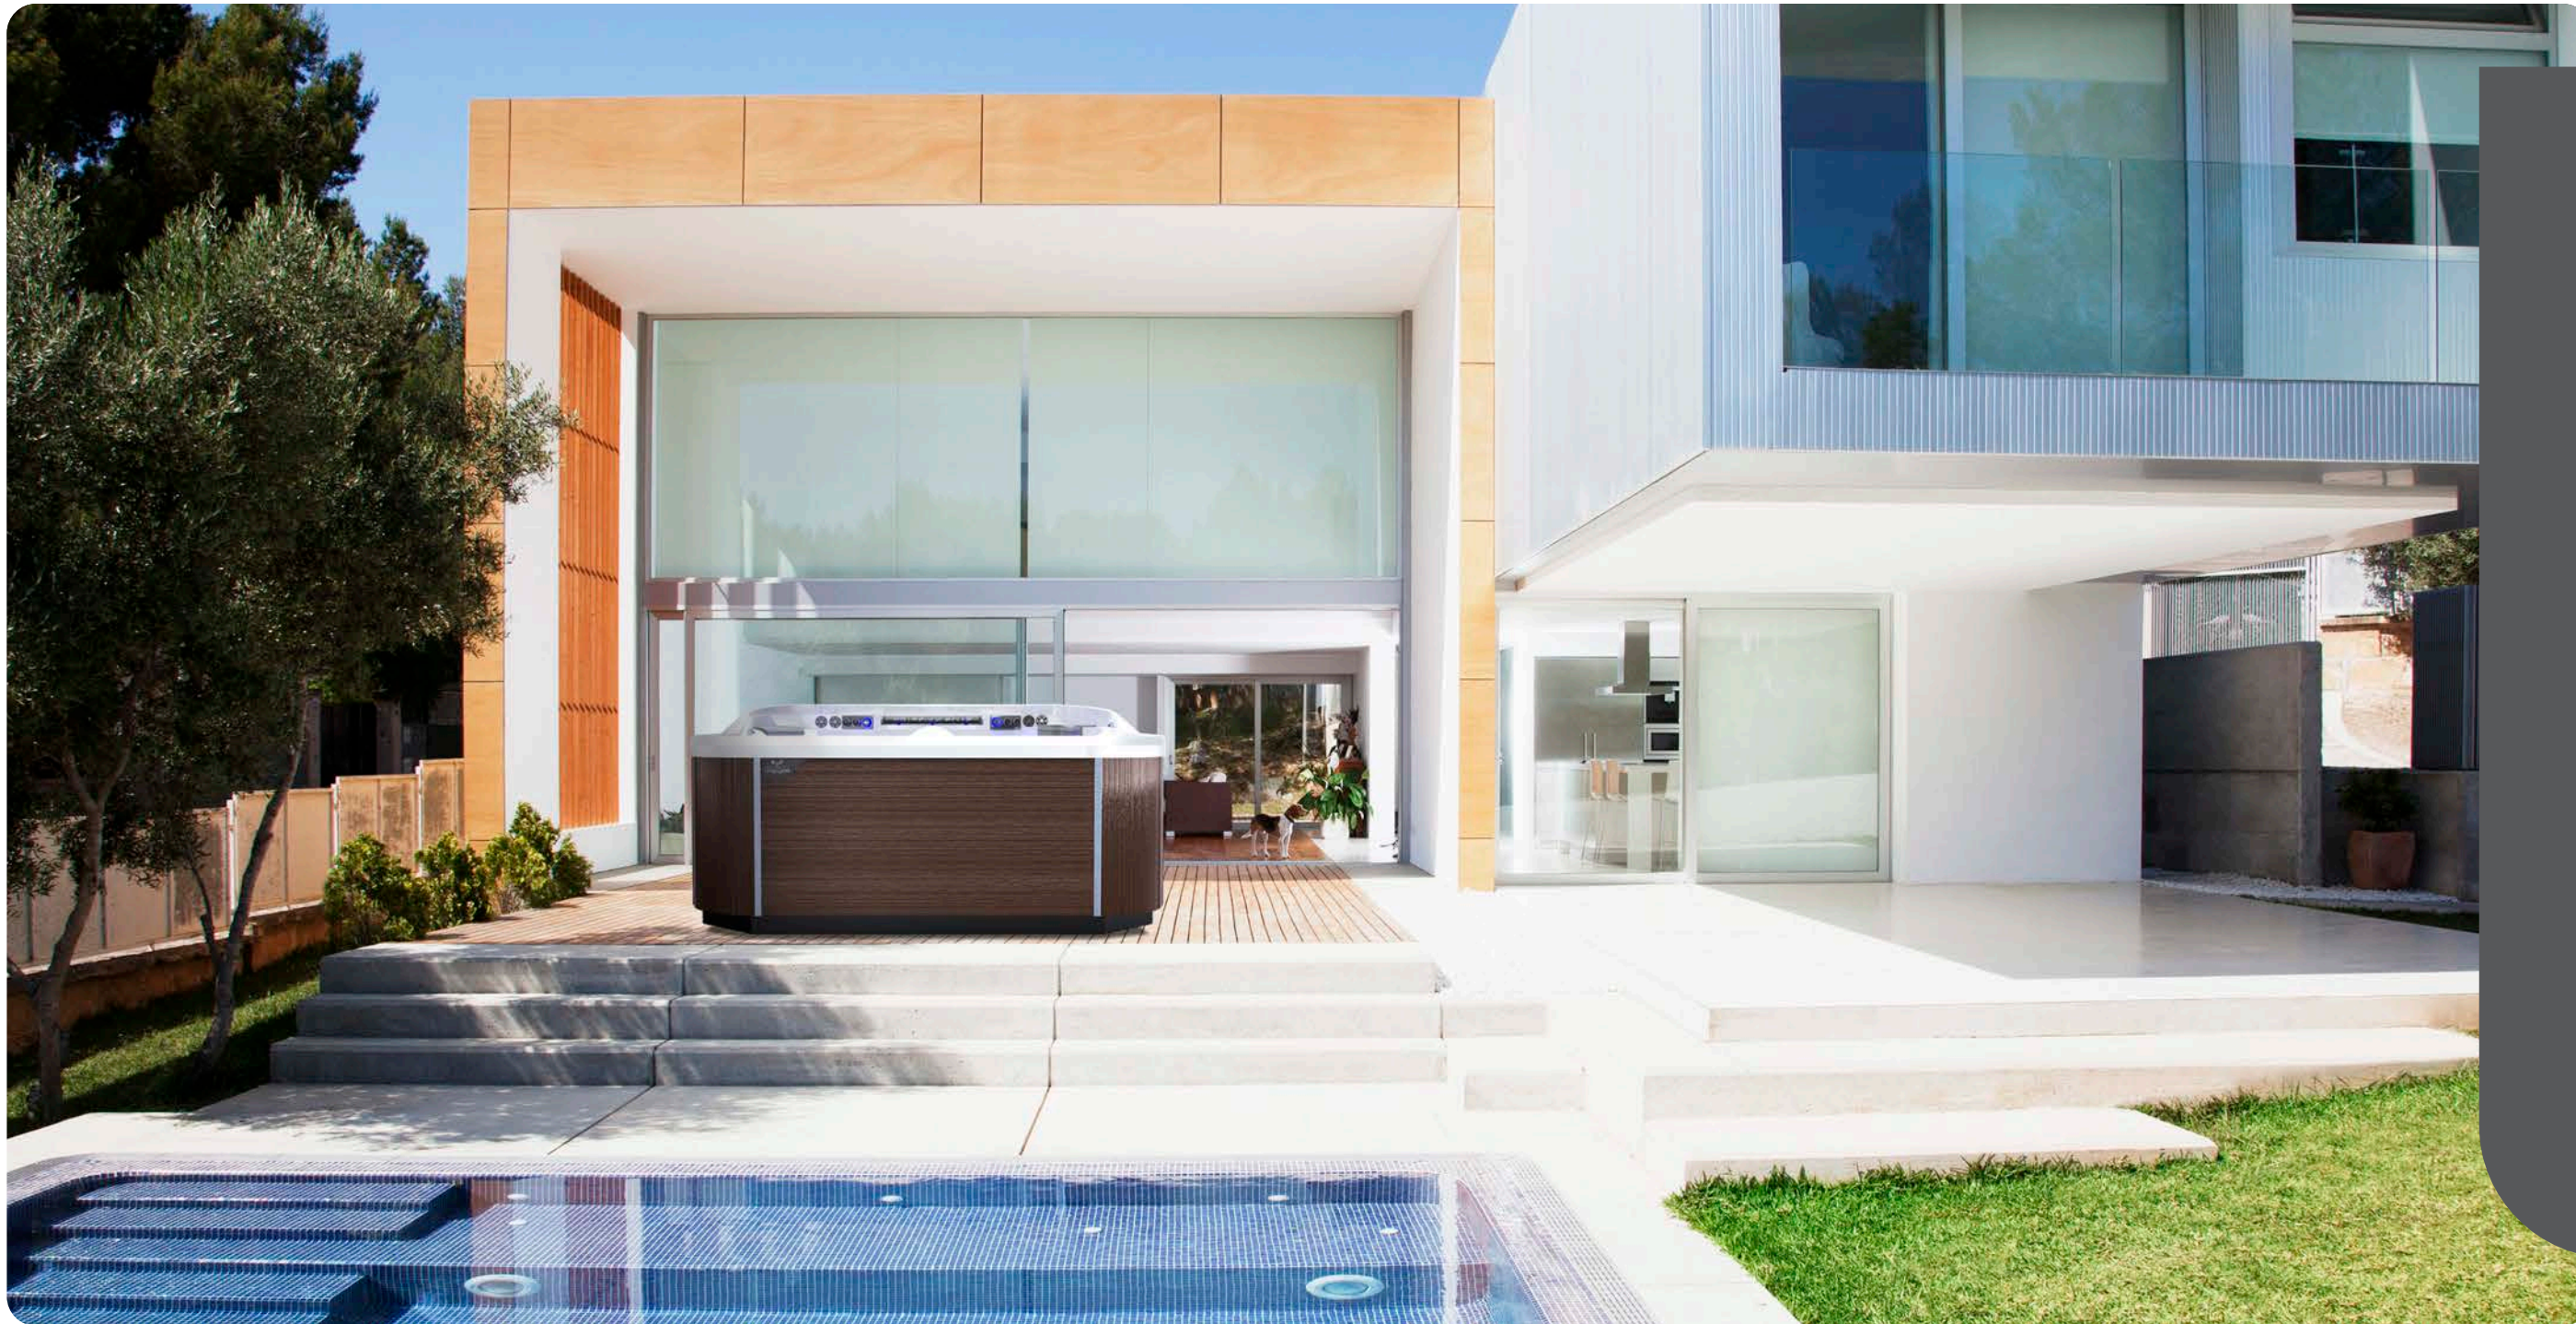

SOUTH SEAS

Ideal for families, couples, or anyone looking for an affordable way to unwind, this spa offers multiple sizes and shapes to fit your space. Top models feature KickRail lighting, Ozonator, and full foam insulation for year-round comfort.

GARDEN

Condo and townhome owners are no longer excluded from owning a hot tub. Designed for use in smaller homes and tight spaces, indoors and out. Plug into a standard wall outlet, for an easy plug-and-play experience.
